ROSE PETAL

Flower Power. Make your skin bloom with **THAYERS® Rose Petal Facial Toner**. This gentle toner is derived from a time-honored formula, developed by Thayers to cleanse, tone, moisturize, and balance the pH level of skin. In addition to containing pore-cleansing Rose Water and certified organic Aloe Vera, this unique, proprietary blend also contains certified organic, non-distilled Witch Hazel that's grown exclusively for Thayers on a family farm in Fairfield County, Connecticut. By avoiding distillation of our Witch Hazel, we're able to preserve the naturally-occurring, beneficial tannins, which are known to offer antioxidant and antibacterial benefits, and bring about a natural glow. Thayers elixirs have been a fixture in medicine cabinets for generations - once you use them, you'll know why.
